

Tree Line June 2018 Update

Tree Line Completes Over \$87M of New Financings and Increases Investable Capital to Over \$620M

Tree Line is pleased to announce financings for new and existing borrowers totaling over \$87M for leading lower middle market companies. Since inception, Tree Line has provided financing to 33 different borrowers across 49 transactions, involving 22 equity sponsors. Frank Cupido, Partner of Tree Line, adds, "These recent financings are compelling examples of our differentiated abilities in the lower middle market. We have continued to provide reliable post-closing support for our borrowers via add-on acquisition, growth and shareholder liquidity financings. We have also demonstrated certainty of closing and efficient transaction processes for newer relationships which have generated repeat dealflow. We would like to thank our borrowers, private equity sponsors and investors for their continued support."
