Key Updates:

- Closed transactions exceeding \$200M of commitments for existing and new portfolio companies year to date, including financings with five new private equity relationships
- Published third annual Ascend Report, a comprehensive analysis on the lower middle market deal environment reflecting feedback from over 80 sponsors
- Hired two Investment Professionals and one Loan Servicing Professional in its Austin office

"We're pleased to announce continued portfolio growth across existing and various new private equity relationships. We remain dedicated to leading the lower middle market in both execution and research. Our team's analysis in the recently published Ascend report is a great example of that and provides a helpful summary of sponsor investment expectations for 2023.", said Frank Cupido, Partner of Tree Line.
