Key Updates:

- Closed transactions exceeding \$750M of commitments for existing and new portfolio companies year to date, including financings with ten new private equity relationships
- Continued focus on buy-and-build strategies, committing capital to support 26 follow-on financings for add-on acquisitions and other growth requirements year to date for existing borrowers
- Hired Megan Brown as Vice President, Loan Servicing, and Shikha Lakhi, Costakis Loizou and Andrew Martin as Portfolio Management Analysts, in Tree Line's Austin and New York offices

"2023 has been another exciting year for Tree Line, with significant origination momentum and team growth despite a challenging market. We continue to focus on the Lower Middle Market, financing companies with less than \$10M of EBITDA at close while maintaining the capability to grow credit facilities to more then \$150M over time. We're thankful to have closed deals with ten new sponsor relationships this year based on our reliable approach, upfront feedback, and streamlined execution to close," said Jon Schroeder, Managing Partner of Tree Line.
