Tree Line is pleased to announce four transactions for new and existing borrowers, comprising approximately \$60M of commitments. Frank Cupido, Partner of Tree Line, said, “We’re extremely pleased with our recent portfolio growth. Our new transactions continue to be driven by repeat relationships and referrals from our borrowers who come to us for efficiency, creativity and certainty. We have been particularly active in software and tech-enabled services as we see these companies play an increasingly prevalent role in the lower middle market. As a result of our platform’s continued growth, we’re able to support companies with a broad range of financing needs, providing facilities from \$10M to \$150M.”
