

TREE LINE GIVING

Tree Line Capital Partners & Employees Donate Over \$50,000 for COVID -19 Relief

As the extraordinary impact of the COVID-19 pandemic continues to unfold, Tree Line Capital Partners stands with its local communities to deliver real-time aid and relief to those most vulnerable and underserved.

A Company-wide effort consisted of Tree Line's Partners and employees donating a portion of their annual salaries, with Tree Line Capital Partners matching every donation dollar for dollar. To kick off the initiative, our team identified local non-profits making meaningful impacts within the communities we live and work.

Donated funds went to those charities qualified by Tree Line as having high charitable commitments and capable of deploying funds and services swiftly. A number of these charities are listed below:

- **GiveDirectlyNYC:** A leading global non-profit specializing in digital cash transfers, their COVID-19 Fund is providing direct cash transfers to families enrolled in SNAP living in the zip codes most affected by COVID-19.
- **Compass Family Services:** Supporting homeless families and those at imminent risk to achieve stability, Compass created an Emergency COVID-19 Family Care Kit Program providing digital gift cards for emergency supplies.
- **OneFamilyLA:** Providing assistance for basic necessities like food, rent and medical care to families with children in Pre-K through 12th grade who live within the boundaries of LAUSD.
- **Oakland Public Ed Fund:** Supporting the highest-needs families and schools in the Oakland Unified School District, their COVID-19 Relief Fund is feeding students and families, supporting online learning, and providing rapid cash assistance.
- **Food Bank NYC:** NYC's largest hunger-relief organization providing a multi-faceted approach to helping low-income New Yorkers overcome their circumstances.

\$58,051 in contributions have been made across the firm thus far, which has resulted in 25,506 meals for those in need, 33 Family Care Kits, and direct financial assistance for 42-69 families.

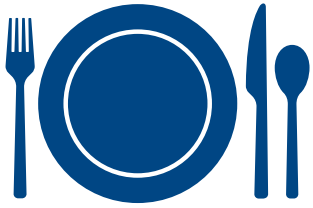

"As a lender to small and medium sized businesses throughout the U.S., we feel compelled to mobilize our resources and support those most vulnerable and impacted in this time of crisis," said Managing Partner, Tom Quimby. "We encourage our industry peers, employees, friends, and colleagues in similar fortunate positions to find ways to contribute to their communities as well."

About Tree Line

Tree Line Capital Partners is a private credit asset management firm focused on direct lending to the lower middle market. The firm provides first lien term loans, unitranche term loans and equity co-investments to lower middle market borrowers with between \$3M-\$30M of EBITDA in North America in transaction sizes up to \$150M. Tree Line currently manages \$1.4B in investable capital, and has completed over 106 transactions for acquisitions, recapitalizations, refinancings, expansion projects and other growth capital needs. Tree Line's team has extensive direct lending experience spanning multiple economic cycles and has generated significant repeat investment opportunities from the private equity community through reliable execution coupled with a direct relationship approach. Tree Line is headquartered in San Francisco with offices in New York, Los Angeles and Austin.
